Custom Moulding (India & Overseas)

- The group has 35 manufacturing facilities and a global footprint span across 9 countries and 4 continents
- The company is equipped with diverse capabilities of customized moulding which find applications in many industries such as Automotive, Aerospace & Defence, Electrical, Mass Transit and Off-the-Road Vehicles, Medical imaging products etc.
- The company uses a range of custom moulding processes and technologies from blow moulding, open moulding, rotational moulding, Light RTM and Vacuum Bag Infusion Molding to ultrasonic welding to meet all types of customer needs and requirements
- Sintex has presence in a diversified range of Technologies, Geographies and Industry Sectors/Customers i.e. no single customer contributes more than 5% of CM sales

Retail & Others

- Pioneers in water storage solutions since 1975 having a varied portfolio of products and a market leadership of more than 60% share across India. Our brands include Sintex, Reno, Renotuf, Sintex Pure and Titus
- Affordable, quick to construct and low maintenance plastic products such as false ceilings, doors, cabinets aimed at low cost, mass housing solutions such as slum rehabilitation shelters and Janta housing. Our brands include Indian, Micra and Sierra
- Aggressively promoting a new range of `Euroline` dustbins and containers with international looks and finish, which have received an overwhelming response from several markets particularly Eastern India.
- Others include Sandwich panel, Biogas chambers, water treatment plants, material handling products for pharma, textile and other industries

Prefab and Infra Division

- The company's manufacturing plants which covers 80% of India's geography for execution with different materials for various climatic conditions, utility structures, sanitation programs and varied requirements
- Public healthcare centers, schools, public administration buildings, Labor colonies, Portable toilets,
- Introduced Prefabricated bunk houses in India in 2005
- Prefabricated bunk houses are fully furnished and equipped with modern facilities
- Project offices, site offices and residential units for long-gestation projects

Amit Patel, MD highlighted key initiatives, *“FY19 is going to be a year of strategic changes as, we have completely rejuvenated our Retail and Institutional businesses. I believe we become more consumer centric, market driven and service oriented in our approach. With separate focus on retail and institutional business, the objective is to cater to two different set of customers in terms of product development, supply chain, marketing, and customer service. The realignment will help us drill deeper in these segments by leveraging our Brand.”*

“For the quarter under review, growth continues across all divisions. Strong traction continues in Europe and US business. We are seeing good order bookings building up in India on account of BS VI emissions in the Indian Automotive space.”

“We stand committed to debt reduction and free cash generation. With KKR funding, a large part of our debt cost is already locked for 7 years. This should help us to control interest burden in rising Interest cost scenario.”

CM Sales (Rs mn)

- Focus to continue on debt reduction
- Free cash generation
- Low Capex
- Improve Balance sheet ratios

New Model – Focussed approach

Retail

- Direct control on retail sales, connecting to end customer
- Focus on secondary sales
- Better pricing and margins
- Leverage operational efficiency IT, HR and ensure faster market turnaround
- New distribution channel to launch range of products
- Market development and customer centric approach

Institutional

- Focussed institutional approach
- Key client account management by focussed sales force
- Faster turnaround and better servicing through informed sales force
- Leverage relationships over longer term through a pipeline of products
